All,

I want to apologize for my recent detachment on this. I am completely consumed in Portland air quality issues at the moment. I will do my best to attend meetings, calls and stay plugged into PH, however with the departure of both our director and a key air quality manager in my region on 3/18, the next few months are going to be a serious challenge. I realize this is also the exact timeframe for EPA and the enormous workload and pressure everyone is experiencing.

Region X has been incredibly supportive and generous throughout this air quality ordeal. We'll likely need more help going forward!

One other update I want to provide involves Keith Johnson. Having done a manager stint in AQ awhile back, he will be stepping in to help with the air toxics work for at least 6 months, remaining in NW region. His availability will also be curtailed. As this is a rapidly evolving situation, I will continue to provide updates as I can.

Please let me know if you have any questions. I sincerely appreciate your understanding.

Nina

Subject: Agenda, time and location changes - Monthly EPA/DEQ Staff/Manager Meeting

I am attaching the current draft agenda for the March 9 monthly EPA/DEQ Staff/Manager Meeting. It is also pasted into the invitation. Please take a look at it and tell me if you have suggested additions or changes.

The timing of this meeting will be affected by the just-scheduled VTC meeting with the EPA Administrator 2:30 – 3:30 that day.

We tentatively plan to meet 1:00 – 2:30 as staff and managers, and 3:30 – 4:30 as managers only. I will let you know if that changes.

Let me know if you have any questions.

Thanks,
Debbie
